Patron's Program

The arts have a positive impact on us all, no matter what our stage in life, but that impact is most keenly felt and nurtured in young people. As a direct result of our Patron's Program, we are able to offer after-school arts programs for children aged 5–11 that offer instruction in several art forms and mediums, both visual and performing. In an effort to be as inclusive as possible, enrollment in the arts program has a minimal cost to the participant's family.

This is the type of programming that you would be spearheading and supporting through our Patron's Program. As a Patron, we're asking for a contribution of \$100 a year for five years, which also includes your annual membership in ArtsForward as well as recognition on our donors wall in the facility and an invitation to an annual patrons' event.

If you'd like to invest in the arts in this community through ArtsForward, you can fill out the attached form or make a donation online at www.artsforward.ca. Your contribution is tax deductible.

This is an exciting time for our organisation, and we have several plans for the future in the works. As a member of the Patron's Program, you will be among the first to know about any new initiatives, programs and other developments.
